

# APRIL 2026 CALENDAR

## Spring Into New Opportunities This April

April is a season of renewal. As the days grow longer and the world begins to bloom again, it reminds us that new beginnings are always possible. If your job search has felt slow or frustrating, this month is the perfect time to refresh your approach and focus on the opportunities ahead.

Spring is also one of the busiest hiring seasons of the year. Many businesses are preparing for increased activity and looking to bring new talent onto their teams. That makes April a great time to update your resume, practice your interview skills, and start connecting with employers. Even small actions like attending a workshop, improving your digital skills, or reaching out to someone in your network, can make a big difference in your job search.

At MassHire Holyoke, we are proud to support job seekers and businesses in our community every day. This month is especially meaningful for us, as **April 26th marks our 30th anniversary of serving the Holyoke community**. Over the past three decades, we have helped thousands of individuals explore career paths, gain new skills, and connect with meaningful employment.

Throughout the years, our mission has remained the same: to help people find opportunities that allow them to grow, succeed, and build brighter futures. Whether you are looking for your first job, returning to the workforce, or ready to take the next step in your career, our team is here to help. From career counseling and resume assistance to hiring events, workshops, and training opportunities, our services are designed to support you every step of the way.

April is also a great time to focus on personal growth. Consider setting a goal for yourself this month -attend a workshop, update your LinkedIn profile, explore a new career path, or learn a new digital skill. Investing in yourself today can open doors to opportunities tomorrow.

As we celebrate this milestone year, we are grateful for the community members, employers, and partners who have supported our work over the past 30 years. Most importantly, we celebrate the thousands of job seekers who have trusted us to be part of their career journey.

Just like the flowers that begin to bloom in April, new opportunities are always growing. Stay positive, stay persistent, and remember—you don't have to navigate your career journey alone.

**Let this April be the month you spring into your next opportunity.**
