Youth Rules and Expectations

Be present at every meeting and session

Be respectful to their peers and staff

Complete assignments

Be on time

Failure to meet the rules and expectations will cause termination of participation

Frequently Asked Questions

How long is the program?	4 months. They will meet for an hour every week
How will the student be selected?	There will be a lottery by grade during the info session. A Zoom link will be sent to those who applied
Will transportation be provided?	Yes, transportation will be provided if needed for business or job exploration for students
Is the program going to take place in person? Do parents need to participate in the meetings?	It will be a hybrid model. The meetings will be on zoom and assignments will be completed online. However, the exploration field trips will be in person. Parents do not need to participate
Will the students get paid?	Yes, they will receive a biweekly stipend pay of \$40 for completed work and meeting expectations
What is the goal of the program?	For youth to get a jumpstart in career exploration and to support youth that are 14+ in transitioning into our summer employment program
