

# DECEMBER 2024 CALENDAR

## Give Yourself a Gift and Take a Workshop!

The holiday season is a time of joy, reflection, and giving. While many of us spend our time searching for the perfect gifts for loved ones, this season presents a unique opportunity to give yourself something truly meaningful: the gift of growth. Taking a workshop is a powerful way to invest in your personal and professional development. Whether it's learning a new skill, exploring a passion, or advancing your career, a workshop can be the gift that keeps on giving. Look inside to see the job search workshops we are offering in December!

## **Two New Workshop Offerings!**

### Computer Skills to Get Hired!

Boost Your Job Search with Essential Digital Skills!

Ready to start your job search but need help navigating online tools? This beginner-friendly workshop will teach you how to use computers, the internet, email, and common software programs necessary for the modern job seeker. Plus, you'll get a free Northstar Digital Literacy Learner Account, accessible from anywhere to continue your digital literacy learning after the workshop. Sign up now and take the first step toward landing your next job! **This workshop will be offered on Thursday, January 2, 10:00am-12:00pm at the STEAM Building**

### Resume Reviews!

Bring your resume draft to this interactive workshop for a brief, personalized critique. You'll receive actionable feedback to help improve your resume, with recommendations you can implement on your own for a polished, professional result. This is a great opportunity to fine-tune your resume and make it stand out! **These review sessions will be offered on Friday, December 13, 10:00am-12:00pm and Friday, January 3, 1:00pm - 3:00pm.**
