Hampden County Reentry & Recovery Program Hot Jobs! August 03,2026

Valet Attendant Days

Valet Park of America

185 Spring Street, Springfield, MA 01105

\$17 - \$20 an hour

Full-time

Apply in person

Job Details: Be able to drive a standard transmission vehicle to the satisfaction of management (training can be arranged). Have your own transportation (driving experience). Have experience working in customer service. Be over the age of 18 (due to laws about operating heavy machinery). License(s) required – The general Valet Attendant position requires a valid Class D license to operate a motor vehicle. This license must have been held for at least one year prior to applying. A driving record will be required at the time of application, and it must be approved for the applicant to be considered for a position. The Class D license must be kept in good standing for the duration of employment.

Requirements: All employees must undergo a criminal records check. Must be available to work weekends and holidays when necessary. Must have a neat appearance and a good attitude. All employees are hired on a 30-day trial period. If during that time the employee does not perform their duties to the satisfaction of management, they can be terminated without cause. All employees will train for four shifts. During this time they will not receive tips but will receive a higher pay rate as compensation. VPA is an Equal Opportunity Employer. Management will make all final decisions regarding employment offers.

Counter Help

Workshop Offerings at MHH

For a current Calendar of workshop offerings, visit: <https://masshireholyokey.org/events/> or snap the QR Code above.

ChatGPT-Your Job Search Key!: Discover how ChatGPT can turbocharge your job search! Join our workshop, 'ChatGPT-Your Job Search Key!' and learn expert strategies to optimize resumes, target job searches, ace interviews, and negotiate salaries. Regardless of where you are in the job search process, this workshop will revolutionize your approach to landing your dream job. Don't miss out — secure your spot now and accelerate your career with ChatGPT!

TORQ & ONET Secret Weapons for Your Job Search (Remote using Zoom): Learn how the easy-to-use tools found on TORQ Works can generate suggestions for new career pathways based on how your skills and experience apply to today's job market and break free from the trappings of "career tunnel vision" when choosing your next career. Discover the vast wealth of labor market information found on O*NET Online and explore ways to leverage this information to expand your career exploration, gain valuable insights into industry trends and job outlooks, cure your writer's block in preparing resumes, cover letters and job interviews by accessing professional language to describe your previous work experience, and even find job openings near you! Don't miss this opportunity to harness the full potential of what these two secret weapons can do to ensure a successful job search process!

The Curious Candidate-A Career Exploration Webinar (Remote using Zoom): Are you considering a career change either to earn more money, for greater personal fulfillment, more flexibility or simply to try something new? It is all too easy to get "career pathway tunnel vision" and feel stuck in one particular occupation. This webinar will help participants assess their priorities, needs and interests in choosing a new career pathway, as well as identifying where they can apply their transferable skills and experience to new opportunities, and how they can pursue training opportunities to fill any skills gaps.

Job Search Tips and Tools (Remote using Zoom): This webinar will go over the tools and strategies to ensure an efficient and successful job search. Topics include career exploration, labor market investigation (LMI), where to find job openings, how to leverage your social media accounts, and how to develop the skills you need to land the job that is right for you. We will also discuss how MassHire Career Centers can support you along the way!

Outsmart the Resume Robots (Remote using Zoom): In this webinar you will learn what Applicant Tracking Systems (ATS) are and what happens after an applicant applies for a job online through an ATS Platform. We will teach you how to create a resume that will get you noticed through these systems and how to maximize your chances of getting a response from employers throughout the online job application process. We will also discuss how the ATS benefits employers, and apply that knowledge to the online application process in order to maximize your chances of getting an interview.

Interviewing Skills (Remote using Zoom): During this interactive webinar you will know the steps to prepare for a successful virtual or in-person interview, draft a Personal Commercial, and practice questions and answers to enable you to relate your skills and accomplishments in ways to show how you can help the employer. The concept of "Information Interviews" and salary negotiations will also be discussed.

Hampden County Reentry & Recovery Program Hot Jobs! August 03,2026

Networking to Your Next Job Webinar (Remote using Zoom): Networking is an important and often unused job search tool to access the “hidden job market.” This webinar provides suggestions for creating a successful networking plan, as well as providing a description of the “Information Interview” process.

Job Search Strategies for Mature Workers (Remote using Zoom): This webinar will discuss suggestions, advice, and information for older job seekers. It will discuss examples of what to include in a job search plan, including terminology, the assets older workers provide employers, resume and cover letter descriptions, as well as how to develop networking strategies and interview preparation.

Slay Your Resume (in-person): In this resume workshop you will find out what gets a resume noticed and placed at the top of the “Yes” pile. We will go over some best practices, as well as many common *Do's* and *Don'ts* in order to make a positive impression on employers. This workshop is good for people who need to improve their existing resume, are in the beginning stages of creating one, or for those who are just not quite sure why they are not getting interviews.

***This workshop will be held at our second location at the *STEAM Building at 208 Race Street, Holyoke, MA.*

Learn to Use WinWay Resume Builder: This Webinar will show you how to use the Resume Building Software in the Resource Center at MassHire Holyoke

HCC Grant Information Sessions (Remote using Zoom): Throughout the year, Holyoke Community College offers a number of free workforce training and certification programs in a number of different vocations. This webinar provides an overview of current offerings through the *HCC Adult Education and Workforce Development* and the process to apply for them.

Training Grant Opportunities (Remote using Zoom): This webinar will discuss various training grant opportunities, funding and eligibility possibilities.

*****Note:** Attending this webinar is a prerequisite first step in order to pursue grant funding through the *Workforce Innovation Opportunity Act (WIOA)* to pay for the cost of certain training programs.

Computer Competence Corner (in-person): is your place to get support and assistance for all your computer and digital literacy needs! At MassHire Holyoke, we understand the importance of technology for the modern job seeker, and this walk-in support service is designed to help you excel. Our **Computer Competence Corner** can improve your job search process, help you learn new computer skills and advance your career by assisting with a range of tech-related needs, including computer basics, effective internet use, cybersecurity, digital communications, online job search, online job applications and proficiency with commonly used software and apps. **The Computer Competence Corner** is a walk-in service and is first come, first served, so no appointment is necessary. However, registration is available for those who want to secure a spot and receive a courtesy call to discuss a plan before the workshop. Laptop computers will be available for use during the workshop, but feel free to bring your own laptop computer so that you can learn how to better use your own device.

***This workshop will be held at our second location at the *STEAM Building at 208 Race Street, Holyoke, MA.*
