Two New Workshops Offerings at MassHire Holyoke!

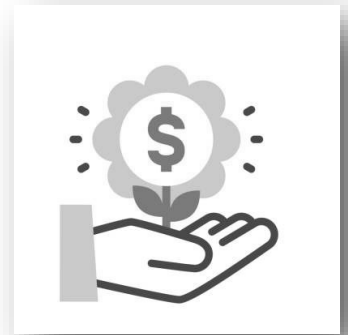

The Curious Candidate -A Career exploration webinar (Remote using zoom) 2 hours Available Dates: May 4, May 25, June 1

Are you considering a career change either to earn more money, for greater personal fulfillment, more flexibility or simply to try something new? It is all too easy to get "career pathway tunnel vision" and feel stuck in a particular career track. This webinar will help participants assess their priorities, needs and interests in choosing a new career pathway, as well as identifying where they can apply their transferable skills and experience to new opportunities, and how they can pursue training opportunities to fill any skills gaps.

Money Matters - A Financial Literacy Workshop (In person at MHH) 3.5 hours Available Date: May 11

In this workshop you will learn how to make better financial decisions that are in line with your values. We will identify your financial priorities and challenges, create long and short term financial goals, learn how to budget, and why it's important! There will be a discussion about what makes up a credit score and tips on how to rebuild credit. At the end of this workshop, participants will be gifted a \$25 Walmart card for attending! (Space is limited to 15 people.)
